## EXAMPLE OF ONLINE PROXY SUBMISSION

Following are screenshot examples of how the [www.eklutnavote.com](http://www.eklutnavote.com) website will function to submit your proxy online (*if you choose to proxy your votes*). In this example, John Doe has 500 votes and has elected to proxy his votes as follows:

- Equal percentage to all 4 candidates (25% or 125 votes to each candidate). You can change these percentages at your discretion by selecting those boxes and change the number.
- Designated specific votes between Washington/Adams.
- Designated Roosevelt/Fairbanks to vote in any proportion.
- Designated 125 votes specific to Kennedy and Reagan.
- Reviewed voting summary and then selected "Vote".
- Received confirmation of successful vote.
- Shareholders can revoke and/or change their proxy at any time up to November 11, 2022, at 5:00 pm, Alaska time, at [www.eklutnavote.com](http://www.eklutnavote.com). The latest submission date will rule.
- As is allowed per Appendix A, all Proxy Votes can be revoked on the day of the meeting and Shareholders can vote at that time. This option will be available at the in-person meeting and at the [www.eklutnavote.com](http://www.eklutnavote.com) website while registering to attend the meeting. A link to [www.eklutnavote.com](http://www.eklutnavote.com) will also be available on the Shareholder page of Eklutna's website.

*(If mailing by US Postal Service, please remember mail service delivery continues to be much delayed since the pandemic; early mailing will ensure your proxy is received before the November 11, 2022 deadline.)*
