November 30, 2023

Shareholder/Beneficiary Name  
Address

Dear Eklutna, Inc. Shareholders/Jabila Beneficiaries,

We are writing to provide you with clear information regarding the upcoming dividend distribution in December. Depending on your selected method of payment, you will receive either two separate dividend checks or two separate electronic deposits, issued on the same date. This is a one-time occurrence as we do the final transition between the previous and new Jabila Trusts. Going forward, after the December disbursement, we will return to issuing only one check/deposit.

As discussed during the Shareholder Meeting held on April 8, 2023, when the new Jabila Trust was approved, close out of the previous Jabila Trust would occur during the year 2023. Before we can fully transition to the new Trust, it is necessary to distribute any remaining funds held by the previous Trust. These remaining funds contributed to the previous Trust were provided to cover administrative costs such as banking fees/costs, audit expenses and taxes. This December distribution will constitute the final close out distribution to Beneficiaries from the previous Jabila Trust.

Therefore, one dividend distribution will be issued from the remaining funds of the previous Trust. The second distribution, will be from the new Trust. These two distributions totaled together, will equal the whole amount due to you as a Jabila Beneficiary.

Please note that the dividends issued from both Jabila Trusts will all be non-taxable. If you have any questions or need further clarification, please do not hesitate to contact Shareholder Relations at 907-696-2828 ext 604.

Sincerely,

Board of Directors
